nook for iPad and iPhone

Kindle App (free): [www.amazon.com](http://www.amazon.com)

## Kindle for iPad

Read more than 1 million\* Kindle books on your iPad with our free Kindle reading app. No Kindle device required. Our Whispersync technology syncs your last page read, bookmarks, notes, and highlights across various devices.

[Download now for iPad](#)

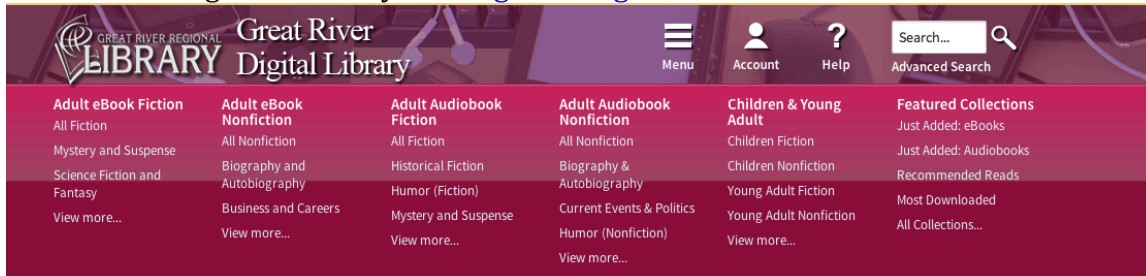

Search for "Kindle" in the App store on your iPad to download the app.

\*If you are a non-U.S. customer, book availability may vary.

## Things to note:

- There are free books for Kindle, Nook, and iPad's bookstore.
- Books can be transferred between five devices if you log in with the same account. For the most part, books cannot be shared between accounts.
- Both apps can be installed on your iPad.

## Things to note:

- You must have a valid library card.
- You must install the Overdrive app; it is free.
- Books will "disappear" when they are due.
- Most books have limited copies. You will be on a waiting list if all are checked out.

## **eBooks for your students:**

### **EPIC:**

<http://www.getEPIC.com> EPIC is a new FREE service for classrooms!! You must verify that you are an educator and sign up with your school email address. Once you have created an account you can set up accounts for your students, set their reading levels, suggest books for them to read, and more! Kids do all their reading on a device (such as an iPad) during school hours.

There are parent flyers, posters, and other resources available on the website.

### **OpenEd K12 eBooks:**

<http://k12opened.com/ebooks/>

A collection of books available free to the public in a variety of formats, under creative commons licensing.

### **ManyBooks.Net:**

<http://manybooks.net/>

There are more than 33,000 eBooks available for Kindle, Nook, iPad and most other eReaders, and they're all *free!*
